Errata for SLAC Report 443

On page iii under Budker Institute of Nuclear Physics, E.A. Undrus should appear as A.E. Undrus.

On page vii under Stanford Linear Accelerator Center, J.L. Hewitt should appear as J.L. Hewett.

On page viii, L. Bosisio should be attributed to INFN, Sezione di Trieste and Università di Trieste, Trieste, Italy.

In Figure 6–1 on page 95, the dashed and the dot-dashed lines are interchanged for the plot showing acceptance as a function of $\cos \theta_{\text{max}}$.

In Table 7–1 on page 124, the column labeled $\Delta \chi^2 = 10$ should read $\Delta \chi^2 = 9$.

In Table 13–7, the reconstructable fraction for the $J/\psi K_S^0$ channel should read 0.124.
